++ Valid for broadcast between 1800 and 0600

Headline:
Dry and warmer on Wednesday, with some sunshine for most.

This Evening and Tonight:
Scattered, light showers, dying out this evening; still rather cloudy and mild in parts of central and southeast England, but clear spells in other inland areas, where a touch cooler. Low cloud and patchy drizzle affecting a few coastal areas.

Wednesday:
Most areas fine with some sunshine, and feeling noticeably warmer than recently. Some coastal eastern areas cloudier to start, while parts of northwest UK turning cloudy and drizzly later.

Outlook for Thursday to Saturday:
Mostly dry with plenty of sunshine for most. Although often cloudier in the far northwest with perhaps some rain at times. Very warm inland, but cooler along some coasts.
